The Outstanding Contribution Award

is given to managers and leaders for their commitment, dedication and exceptional service to FSCPM..

Howard Rasmussen

Even in retirement, Howard has continually spent much time digesting and referencing articles and information to all of us state-wide. Let's face it, most of us would not even know where to look for some of the "gold" Howard has directed us to. It is like a "bonus" with our membership. I think he should be recognized for this activity.

SOCIETY MISSION

To foster and maintain high professional and ethical standards in the practice of public management, and to further the professional growth of the Society's members.
