

## **Florida Keys Chapter Certified Public Managers**

### **FKCCPM Objectives due March 1, 2006**

- Initiate Membership Drive to increase current roster of 21 to a goal of 30 Members in 2006
- Continue mentoring program for Keys CPM Class attendees
- Continue to meet all State Mandatory/Optional Chapter Effectiveness Criteria
- Regular schedule of monthly meetings and luncheons of the CPM Chapter
- Continue to partner with government agencies to provide training programs locally
- Continue to raise funds to support our Florida Keys Chapter activities
- Implement a program to market the FKCCPM Chapter by logo insignia on clothing items
- Actively participate in all levels of the CPM 3 Class as Mentors or Educators
- Continue to co-sponsor the CPM 3 Class with Monroe County Government
- Conduct informational meetings for CPM Classes prior to start of new CPM Classes
- Actively participate in County Government activities to assist in the Sterling Program Initiatives outlined in the County Administrator's Goals Statement
- Continue to submit news articles and reports in a timely manner to FSCPM
- Continue a program of recognizing deserving Florida Keys CPM members
- Actively continue to recruit new participants for a CPM 4 Class in 2006 or 2007
- Continue to work toward full recognition of the FKCCPM as a vital part of County and City Governments and other public entities in the Florida Keys by providing professional support services in all areas of government as requested

Respectfully submitted:

Priscilla London, CPM, CEM, FPDM, CFI

Monroe County Safety Administrator
