

The First Amendment Foundation is pleased to announce that we now offer **an electronic version of our Sunshine Litigation Seminar** that took place earlier this year. This eight hour session is geared toward attorneys interested in learning more, including practical tips, on litigating open government issues. The seminar also features a keynote address by Lucy Dalglish, Executive Director of the Reporter’s Committee for Freedom of the Press.

The electronic course has been approved by The Florida Bar for **7.5 CLE hours** and is currently available for \$100. Materials provided with the course include six audio CDs, a corresponding PowerPoint presentation, and six supplementary briefs. The outline of the course is detailed below.

The digital Sunshine Litigation Seminar CLE course can be purchased in the online FAF Store at our website, www.floridafaf.org. You may also contact us at (850) 224-4555 with questions.
