1. Confirmation of the new Chapter's Logo
 - We voted on the logo with the road
2. Update on Chapter's Newsletter
 - The draft newsletter was passed out for viewing. Stated it would be nice to have a student and graduate spotlight to add to the newsletter. Jacque volunteered to be the graduate spotlight. Jean will send out to other students to see about getting a student for the newsletter. The newsletter will be electronic. In addition we would like to spotlight a book also, "Good to Great" by Jim Collins was the book brought up the most. Ed volunteered write a synopsis of the book for the newsletter
3. Finalize the CPM Performer of the Quarter/Year process
 - The award can be a student or graduate. There will be one person per quarter. The annual person should be one of the quarterly people. Each quarterly winner will receive one of the coins developed by the 2007 graduates. The supervisor of that individual will be the one to nominate them and should state why that person exemplifies the role of CPM superstar. The nomination process will probably be on Survey Monkey. The chapter board will select the quarterly and yearly winners
4. Scheduling of the general Chapter's meeting and guest speaker
 - Jerry and Jacque are to work on this and shoot for April, May, or June for the first one. We will need to schedule videoconferencing equipment and have it during lunch as a lunch and learn (bring your own lunch). Have the speaker talk for 20 to 25 minutes. Jean stated we may be able to put this in TRESS
5. Membership Update
 - To date we have 13 members, not including Mr. Ely and Miguel Rivera

** As of right now, approximately 35 people are planning to attend the national symposium/graduation to be held in Orlando. They are in re-negotiation with the Rosen hotel to see what can be done. Our efforts to work with this event are on hold at this time
