

Florida's Turnpike CPM Chapter Meeting

CPM Meeting

January 7, 2009

In attendance: Jean Pingston, Ed Pacificar, Wendy Collazo, Jerry Karp, Miguel Rivera, Jacqueline Scott

Wendy stated that an additional \$40.00 was transferred into our account from Colleen Scott. Tony was transferred into our chapter while Ed still needs to be. With each new member we receive \$10.00.

We stated that we had changed the account so that the bank statements come to us at Headquarters, in addition to the fact that we mailed them to Ed on December 22, 2008.

Wendy gave the current statement that she had to Ed and he will check to see who signed for him in his absence to receive the checks.

\$50.00 was deposited from the donut sale. In addition Jerry and Jean submitted their receipts as donations for the products they provided.

The symposium will be held in Altamonte Springs on January 22, and 23.

CPM Level 1 will be held at the Hampton Inn on I drive on January 29. We will try and get Mr. Ely to speak at this meeting to generate interest. In addition to we would like to provide pizza from either Domino's or Little Cesar's. We can order in advance and then pick it up and take it. Jean will check with management and see if she can swing soft drinks into the negotiated price of the room.

Payment should not be made with a check. It was discussed that a check should be written to a member so that they can cash it prior to making the purchase for the pizza. It was also discussed that maybe we should not deplete the funds in our account and members may need to chip in to cover half.

Frankie Cook and Pamela Krammer are not yet formally in the group but they should be invited to the meetings.

Wendy needs to step down as she has been handed many projects. She recommended Ed to take her place. Everyone agreed and voted on Ed taking Wendy's place and Jerry will step in as Treasurer. Ed will bring the checks to Jerry. In November 2009, we will vote in the permanent board members.

January 21, we will have the next meeting from 1:00 PM - 2:00 PM in room 3163. Loleta will make the 36 packages for new memberships.
