

Florida's Turnpike CPM Chapter Meeting

CPM Meeting

November 17 2008

In attendance:

Loleta Nock, Jerry Karp, Jean Pingston, Tony DeGuzman, Wendy Collazo, Jacque Scott,

Ed Pacificar via teleconference

Subject: Meeting with Joanne Robertson regarding the graduation for CPM 2009 and the AACPM symposium in September 2009 and our chapter's involvement

Joanne gave an overview of what had been done in the past for the annual meetings. It usually revolves around a theme that is pertinent to the location of the meeting. It was suggested that since we are the local chapter that we act as the greeters. It was also suggested that we might combine with the Central Florida chapter since we are so new and so small.

Jean said she would contact the Pirates Dinner Adventure to see about a group rate. This would give visitors an option. We also discussed doing the greeting as a theme, a Florida type theme.

She seemed enthusiastic about the prospect of us doing that as an option. Hosting a golf event has been very successful in the past also, but we are too small to take on a project that big.

Ed added that he felt that we should not agree to do this unless we are willing to commit and do it right. All members agreed.

Florida's Turnpike CPM Chapter Meeting

Other business included the addition of new members Pam Krammer and Frankie Cook.

CPM Level 1 will be at the HQ location on January 29, 2009. We will try to get Mr. Ely to speak and this will serve as the kick off meeting. We would like to serve pizza at this meeting and use the proceeds to pay for it.
