

Kristina Kihlberg, DTM is District Governor. Kristina has lived in Florida since 1990, originally from Sweden, one of the reasons she wanted to join Toastmasters was to expand her English vocabulary and to be more comfortable speaking English in business environments.

Kristina embraced the leadership side of Toastmasters immediately when she joined a brand new Club in Miami in June 2002. She became the VPE and attended training in the first two weeks. After a short hiatus and a move to Broward County, she joined Great Ft Lauderdale Club in July 2003; her home Club.

Her wish is to see confident members that use their Toastmaster skills in all aspects of their lives.
